

# Dog Song Sing-Alongs

## Dog Breeds From A-Z

**A** is for **Afghan**, the dog dressed like a rug  
It also stands for **Aussie**, a dog who likes to hug

**B**'s the **Boston** and the **Boxer**, running along the fence  
A super smart **Border Collie** helping things make sense

**C** is for **Corgi**, the dogs who run the net.  
A **Chihuahua** dancing around is a close second best

**D**, The **Dachshund**, a dog that's short and sweet  
**Dalmatians** with the spots, where the Firemen meet

**E** is for **English**,  
the best kind of **Cocker Spaniel**

**F** is for **French**,  
the **Bulldog** small enough to handle

**G** is a **Great Dane**, **Golden Retriever**, **Greyhound**  
Two of those dogs are big and the other runs around

**H** is a **Havanese**, your fluffy little friend

**I**'s the **Irish Setter**, silky to no end

**J K L M**  
**N O P**

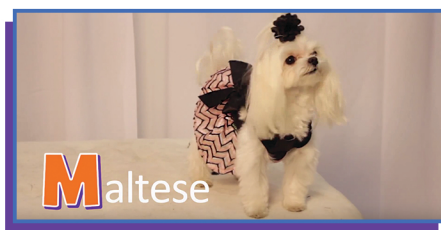

Now we're coming up on J,K,LMNOP,  
so hold onto your socks and try to keep up with me

**J**, **Jack Russell** is a dog that many know  
But the **Japanese Chin** can surely steal the show

**K** is for **King Charles**, another kind of Spaniel  
But he never ran a country  
'cause he didn't get the manual

**L** is a **Labrador** the most loyal of dogs  
But a **Leonberger's** another cute, big, bed hog

**M** is the **Maltese**, dainty and adorable  
It's also how people from Malta are knowable

**N** is for **Newfoundland**, another dog that is a place  
The **Nova Scotia Duck Toller's** gonna join that race

**O**, is for **Old**, the name not the age  
**Old English Sheepdogs**, it's time to turn the page

**P** is a big one  
and we'll start with the best  
**Pugs**, they love to hug,  
and take a nice rest  
**Pomeranian's** another  
cute little noodle  
But I've got one more for you  
and of course that's a **Poodle**

**Q** is the **Queensland Heeler**,  
a dog who'll come when you call

**R**, a **Rottweiler**, play with him, you'll have a ball

**S** could be a **Shih Tzu**,  
the name that sounds like a swear  
**Siberian Husky** keeping warm  
with all that hair

**T** is for **Terrier**, tiny little terrors  
But don't over look them, that's the gravest of errors

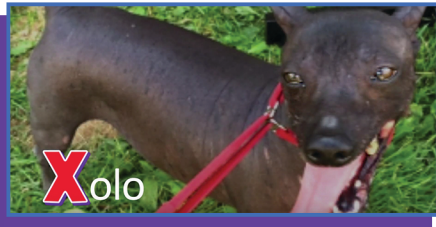

**U**, is a hard one,  
you might think you've got me stumped  
but we've got the **Utonagan** to get us over that hump

**V** is the very vivacious dogs called **Vizsla**  
Dogs so cute, they're fast friendly little sizzlas

**W**, the **Weimaraner**, a dog big and strong  
There's also the **Westie** near the end of the song

I bet you don't think we've got a dog that starts with **X**  
But the **Xolo** from Mexico saves us and comes up next

**Y** is for **Yorkie**, so small and cute

And if you mix a Bichon with a Shih Tzu,  
you get **Zuchon** to boot!

That brings us to **Z** and we're finally at the end  
But who doesn't love a rap about man's best friend?
